Highways

Re the successful application to the Area Stewardship Scheme, a speed check device is to be installed on the Filkins Road at the entrance to the village. Work should begin mid to end of May.

AB raised the question as to the cost of installing another speed device at the other end of the village. MH to explore.

A.O.B

The Governing body at St Christopher's school has received complaints, concerning parking, and recognises that the school needs to put a policy in place. It has been discussed and they will listen to us to support a viable solution. CJ to liaise

There has been a complaint concerning resident burning rubbish late on Sunday evenings. It is thought to be commercial rubbish. Follow up with WODC Environmental Department
