

LANGFORD UNITED CHARITIES

Lockey House, Langford, Lechlade, Glos. GL7 3LF

25th September, 1993

Supervision of the allotments, Broughton Poggs Road

This is just to confirm that at their latest meeting the Trustees of the Langford United Charities accepted my recommendation that you should be invited to accept the position of Honorary Supervisor of the allotments on behalf of, and responsible to, the Trustees. It is my understanding from our conversations that you are willing to accept this position.

The Trustees are Richard Kirby (chairman for 1993-94), Rev. Bill Glazebrook, ex officio as Vicar, Robert Clack, Derek Lafford and Jennifer Pitkin.

I enclose a copy of the sketch-plan which I have supplied to the Trustees showing what I believe, from what you have told me, to be the current situation.

Stephen Kemp
Clerk to the Trustees

Mr R.J.Stacey
