Dear Sir

CHARITIES: 1. **THE UNITED CHARITIES**
 2. **THE ROBERT DAY CHARITY**

I am sending three copies of the proposed Scheme for these charities. Would you please check that the draft is correct and if necessary fill in any blank spaces.

We have amended the draft in accordance with the new 1993 Act. These changes have been made at page 1, 'In the matter of the Charities Act 1993', page 3, clause 11 and page 4 clause 19.

Once you are satisfied that the draft is correct, steps can be taken to comply with the law by giving those members of the public who may be interested the opportunity to comment on the proposed Scheme. This can be done by putting the enclosed notice on two suitable public notice boards in Langford.

I should be grateful therefore if you would arrange for the notices to be displayed after writing on them a local address where members of the public can see a copy of the draft Scheme and the date you intend to display them. After 21 days they should be taken down and the enclosed declaration signed and sent back to this office.

At the same time as you let me have evidence of publication would you please return one copy of the completed draft Scheme. Provided we have received no valid objections we can then seal the Scheme. The sealed Scheme will be sent to you with a copy for each of the trustees plus two copies for the charity's records. If you need more copies it may be necessary to make a small charge to cover the cost of photoprinting and you will be asked for payment when they are supplied.

Yours faithfully

Vanessa C. Wellington
