*Dear Miss Wellington,*

1. The United Charities
2. The Robert Day Charity - Oxfordshire

I apologise for having taken my time to reply to your letter of 28th July enclosing a draft scheme for the amalgamation of the United Charities (238299) and the Robert Day Charity (204255) of Langford in Oxfordshire.

My Trustees are happy with the scheme and I return herewith the draft document, in which I hope you will find all the required entries completed, though I must confess myself a little baffled by the reference in your second paragraph to X on pages 2,3,5,6 and 7 - the only such mark I found was against paragraph 14 on page 3 - *also on page 6*.

I look forward to hearing from you that all is in order.

*If not, you will no doubt let me know what more needs to be done.*

*Yours sincerely,*  
*Stephen Kemp*
