

THE UNITED CHARITIES
(LANGFORD, WEST OXFORDSHIRE)

Lockey House, Langford, Lechlade, Glos. GL7 3LF

12th August, 1993

Dear Charity Commission,

In response to the Chief Commissioner's circular letter of 14th July, 1993, I enclose the annual returns relating to the United Charities of Langford (West Oxfordshire), Registered Number 238299 and its three subsidiary charities.

My trustees are a little disappointed that in spite of last year's return, of which I also enclose a copy, together with a copy of my covering letter of 21st July, 1992, you should have continued to address Mr Richard Kirby, rather than the Clerk to the Trustees, but I realise that it might have been better if I had completed Part A, as I have this time - though Mr Richard Kirby is in fact still a trustee.

Yours sincerely,

A.S.H. Kemp

A.S.H. Kemp
Clerk to the Trustees

P.S. Neither Mr. Kirby nor I have this year received a Form AR 2 in respect of 204251 The Robert Day Charity, which is in the process of being combined with the United Charities in a new scheme prepared in Taunton.

Common abbreviations for Governing Documents

A number of abbreviations are used to describe certain types of governing document, some of the most common are listed below.

- | | | |
|-----|-----------|------------------|
| (1) | P.R. | Printed Reports; |
| | R.V. | Reported Volume; |
| | Rep. Vol. | Reported Volume. |

These all refer to the Reports which were published between 1819 and 1837 and provide information about the trusts and endowments of charities. The volume and page number of the report is usually included eg

- | | | |
|-----|-----------------|---|
| | P.R. Vol 6 p.62 | is Volume 6 of the Printed Reports page 62. |
| (2) | U.V. | Unreported Volume. |

The Unreported Volumes include information not contained in the Printed Reports and, in particular, copies or summaries of the governing documents of charities. The volumes have not been updated for about 50 years. Again, the volume and page number is included.

The Mailing Section, whose telephone number is shown on Page 1 of this form, can provide copies of relevant extracts from the Printed Reports or the Unreported Volumes, if these are applicable to your charity.

Details required of changes to Governing Document, Area of Benefit or Objects Description

Governing Document	Details of any document which amends or supersedes the Governing Document of each constituent charity shown in part F.
Area of Benefit	Details of each constituent charity's Area of Benefit as set out in the current Governing Document, if it differs from that shown in Part F.
Objects Description	Details of each constituent charity's Objects, as set out in the current Governing Document, if they differ from those shown in Part F.

Please provide this information on a separate sheet of paper and return it together with this completed form. Please ensure that Registration number and Group name as well as constituent number and name appear at the top of any separate sheet.

Definition of Gross Income

Gross income means all income from whatever source before the deduction of any expense. This will include any fund income, legacy or other receipt which is taken straight to the balance sheet.

Definition of Charity Types

FR Fundraiser

This is a charity which obtains a large part of its funds by appeals to the public or by requests to individuals and organisations. This **does not** include a charity with (a) a power (in its governing document) to raise funds but which does not use the power; or (b) which raises funds incidentally in a small way.

G1 Grant-maker to individuals

This is a charity which makes grants (whether in cash or in kind) to individuals as a way of providing benefits. This **does not** include a charity with a power (in its governing document) to make grants to individuals but which does not use the power.

G2 Grant-maker to institutions

This is a charity which makes grants (whether in cash or in kind) to charitable or other organisations as a way of providing benefits. This **does not** include a charity with a power (in its governing document) to make grants to organisations but which does not use the power.

SP Service Provider

This is a charity which provides benefit in any way other than by making grants in cash or in kind, for example, a village hall is a service provider. This **does not** include a charity with a power (in its governing document) to provide services but which does not use the power.

PART F

Registered Details of Subsidiary Charities

AR2(S)

This part of the form shows information from the registered details of each of the Main Charity's subsidiaries. Because of space limitations on this form we are only able to show details for a maximum of 10 subsidiaries. If you believe there are more than 10 subsidiaries please contact the Mailing Section at the number shown at the head of this form and ask for details of the missing charities so that these may also be confirmed or updated.

Please check the details of the listed subsidiaries carefully to ensure that they are correct. If the details are correct, please tick the box(es) below. Please **do not** amend this part to show changes to the registered details of any of the listed subsidiaries, show any changes in **Part F(1) on the opposite page**. If necessary please continue on a separate sheet.

Note: Even if there are no changes or omissions, information on Financial Year of Last Accounts and Gross Annual Income in Part F(1) should be provided for all subsidiary charities.
