1. **The minutes** of the 13 May 2021 Langford Parish Council meeting had been previously circulated and were agreed by all.
The Chairman duly signed the minutes as correct.
2. **Chairman's Report 2022** was read out, a copy of which is attached and forms part of these minutes. Cll RK had an addition to the report, which was to explain the work carried out on the playground this year. County Councillor NL reported that a wide range of things were happening at County Hall at the moment including such issues as transgender rights, also the 20 mph initiative and parking in Oxford is still problematic at the moment. C Cllr NL also advised that he has a fund from County Council to help in parishes, for such things as bark, a contribution to bus stops etc. He asked us to think if there was anything the Parish needed especially to do with the school or sports.
3. There were no parishioners present however the rent increases on Hooks Close were discussed and it was agreed that Councillor AC would ask his neighbours what has happened with regards to Green Square and then the Parish Council will discuss at the next meeting. C Cllr NL is happy to take this matter further.
The Chairman thanked C Cllr NL for all his work on our behalf

The Meeting then closed at 19.17pm

Signed.....Richard Kemp, Chairman
